WEEKLY REPUBLICAN—1887.  
DAILY PUBLIC LEDGER—1891.

MAYSVILLE, KY., FRIDAY, AUGUST 10, 1906

ONE COPY—ONE CENT.

**SPIDER WEB HAMMOCK.**  
The spiders have a hammock.  
And on the porch it's hung.  
Between the stems of ivy vine  
The dainty swing is swung.  
It hasn't any cushions—  
They never seem to swing—  
And so I think it must be just  
For fun they made the thing.  
—Little Folks.

The best Ice Cream Soda and Phosphates are at Ray's Soda Fountain, 5 cents.

Mr. Charles Lewis, who has been sick for some time, is able to return to work.

Mrs. Ella Crowell is growing in her pretty yard at the corner of Walnut and Third streets a new rose called Veridifera. It is something out of the ordinary. There is perfectly green in color, and is admired by those who have seen it for its beauty as well as oddity.

Ladies, have you seen our new line of Belt Buckles, Bracelets, Side and Back Combs, Hand Bags, Scarf and Stick Pins, Fobs and Chains, Dress Pins, Hat Pins? These goods are all positively new and stylish. You can see them in our show windows. Call and see them. P. J. MURPHY, the Jeweler.

Commonwealth's Attorney Sandford of New Castle was in the city yesterday on legal business. His brother married Miss Martha B. Ranson, daughter of Colonel Frank B. Ranson, formerly of this city.

THE LEDGER has a sure tip, hot off the wire, that some property-holders in East and West Third street will in due time test in the Courts their liability for the cost of the brick streets now being put down by the City Council. There seems to be authority pro and con, and THE LEDGER will not wear itself out this hot weather telling the lawyers what is the law of the case. It may look it up later.

The Union Services at the Opera-house Sunday night will be conducted under the auspices of the First M. E. Church, South. Sermon by the Pastor; a special musical program will be provided, and the public is most cordially invited.

Very few have an idea of the stupendousness of the work accomplished by Superintendent Schaeffer in lowering and readjusting the water mains at the intersection of Third and Sutton streets. Owing to the surface removed for the building of brick streets it was necessary to lower the water mains about two feet in order to prevent freezing, which entailed a difficult and complicated job, all of which the able and efficient Superintendent performed in a know-how manner. Water was turned on yesterday morning, which enabled the men to resume work in constructing the street.

It is not known how grateful the Ripley folks are, but it is almost a certainty were it not for the attendance of Mason county people at their annual Fair, the show would be a financial failure. Yesterday this city contributed from three to five hundred visitors and the act will be repeated again today. It is unfortunate that Ripley does not reciprocate. When Maysville has a big demonstration of any kind and extends invitations to neighboring cities and towns to come and enjoy the day and occasion, our next door neighbor—Ripley—usually responds with a "measly baker's dozen." They are excellent and good people who do come, however, and always find a welcome awaiting them.

Wood, Violet Buckingham, Mrs. H. S. Ellis and Miss Daisy G. Greenwood of this city are down on the program for interesting parts.

Chief of Police Harry A. Ort was among the first to enter the water in search of the body of young Dee King who drowned Wednesday evening. He informed THE LEDGER that the undertow at the point where the unfortunate lad lost his life was exceedingly strong, and that the swirling undercurrent—though himself an expert and vigorous swimmer—tossed him about like a cork. Boys, heed the warning, and shun the place.

Webster says it's an act of selling. So by Webster's meaning we trust that every store has a sale every day.

## Danderine

GREW THIS HAIR

And we can PROVE IT

Testimonial No. 570.

MRS. ANNIE E. SHEEHAN, Weir City, Kansas.

You must remember that falling hair and dandruff are signs of decay, or a diseased condition of the scalp, and you must not delay treatment. To do so simply means more loss of hair, and a greater impoverishment of scalp, and finally no hair. The wise thing to do is to correct it in the start. Danderine works wonders in all such cases. It will quickly regenerate the enfeebled tissue, and make your hair grow more beautiful than it ever was. NOW at all druggists, three sizes.

## A WOMAN'S ORDEAL DREADS DOCTOR'S QUESTIONS

Thousands Write to Mrs. Pinkham, Lynn, Mass., and Receive Valuable Advice Absolutely Confidential and Free

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions in regard to her private ills, even when those questions are asked by her family physician, and many

continue to suffer rather than submit to examinations which so many physicians propose in order to intelligently treat the disease; and this is the reason why so many physicians fail to cure female disease.

This is also the reason why thousands upon thousands of women are corresponding with Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, at Lynn, Mass. To her they can confide every detail of their illness, and from her great knowledge, obtained from years of experience in treating female ills, Mrs. Pinkham can advise sick women more wisely than the local physician. Read how Mrs. Pinkham helped Mrs. T. C. Willadsen, of Manning, Ia. She writes:

"I can truly say that you have saved my life, and I cannot express my gratitude in words. Before I wrote to you telling you how I felt, I had doctored for over two years steady, and spent lots of money in medicines besides, but it all failed to do me any good. I had female trouble and would daily have fainting spells, headache, bearing-down pains, and my monthly periods were very irregular and finally ceased. I wrote to you for your advice and received a letter full of instructions just what to do, and also commenced to take Lydia E. Pinkham's Vegetable Compound, and I have been restored to perfect health. Had it not been for you I would have been in my grave to-day."

Mountains of proof establish the fact that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for restoring women's health.

Pope Pius X. was seized with a severe attack of heart weakness yesterday, after the fatiguing ceremony in celebration of the third anniversary of his coronation. Dr. Lapponi, the Pontiff's physician, was called, and was able to relieve the patient. He said the Pope must have complete rest.

Grain rates in Wisconsin were reduced to one cent per bushel by a ruling of the State Railway Commission, as the result of a suit started by Secretary of State Honser. The ruling may effect passenger rates, as these are claimed by the railways to depend on the division of operating expenses between passenger and freight business.

## River News

Gage marks 7.6 and rising.

Less than three feet of water is reported at Pittsburgh.

The lower Ohio river packets are carrying lots of wheat.

Nearly 100 employees of the Hollenbeck-May Company, contractors for the construction of the McMechen Dam on the Ohio river South of Wheeling, struck Saturday for more wages. It is reported that the contractors propose to install non-union men.

The Sprague has been pulled out on the docks at New Orleans to have her hull scraped. This is the only river utility which can accommodate boats of these dimensions. The boat will be ready for the fall traffic and will handle coal out of Louisville for the lower rivers.

A Pittsburgh dispatch says it is rumored that a company to be known as the Pittsburgh, Wheeling and Parkersburg Packet Company is being formed with the intention of making a stiff proposition to the Pittsburgh and Cincinnati line in the Upper Ohio. The owners of the Ben Hur, Bessie Smith and H. K. Bedford are said to be back of the project. The company, it is said, will have a capitalization of \$50,000, and will rebuild the Ben Hur and construct small boats that will be able to get into the Pittsburgh harbor at almost all times of the year. Pittsburgh rivermen don't believe that such a project will be consummated. Such a company was talked of before, and the construction of smaller boats to run to Pittsburgh would be of little service, as after this year it is thought the big boats will have to lay up but for very short spells, if at all.

## WORST ECZEMA DOCTORS EVER SAW

Spread Rapidly Over Body—Limbs and Arms Had to Be Bandaged and Scalp Looked Dreadful—Suffered Untold Misery for Three Years—Better in Two Months

### MARVELOUS CURE BY CUTICURA REMEDIES

"My son, who is now twenty-two years of age, when he was four months old began to have eczema on his face, spreading quite rapidly until he was nearly covered. We had all the doctors around us and some from larger places, but no one helped him a particle. The eczema was something terrible, and the doctors said it was the worst case they ever saw. At times his whole body and face were covered, all but his feet. I had to bandage his limbs and arms; his scalp was just dreadful. I used many kinds of patent medicines before trying the Cuticura Remedies, all to no avail.

"A friend teased me to try Cuticura. At last I consented, when my boy was three years and four months old, having had eczema all that time, and suffering untold misery. I began to use all three of the Cuticura Remedies; the Cuticura Soap helped as well as the Ointment. He was better in two months; in six months he was well; but I gave him the Cuticura Resolvent one year, — using twelve bottles, I think, — and always used the Cuticura Soap for bathing, and do now a good deal. He was four years old before he was well, and his skin became perfectly fair when cured. I give you permission to publish this letter for I am always glad to do good when I can. I think I have told you all there is necessary to tell." Mrs. R. L. Risley, Oct. 24, 1905. Piermont, N. H.  
Complete External and Internal Treatment for every Humour from Impurities of the Blood, from Infancy to Age, consisting of Cuticura Soap, 25c; Ointment, 50c; Resolvent, 50c, in form of Chocolate Caramel Pills, 25c, per trial of 60, may be had of all druggists. A single set often cures the most disfiguring cases, when all other remedies, and even the best physicians fail. Puter Drug & Chem. Corp., Sole Agents, Boston, Mass.
